Risk Warning: CFDs are complex instruments and come with a high risk of losing money rapidly due to leverage. The vast majority of retail investor accounts lose money when trading CFDs. You should consider whether you understand how CFDs work and whether you can afford to take the high risk of losing your money.

Risk Warning

Trading leveraged derivative products like Margin FX Contracts and CFDs involves many risks and we strongly advise you to only trade with money that you can afford to lose. It's up to you to make sure the products that we offer suit your specific needs. You shouldn't trade with us unless you understand the features and risks of the products that we offer.

The key risks to keep in mind when you're deciding whether to trade these types of products are:

- the products that we offer are leveraged products – so depositing a small amount of money will give you greater exposure to an Underlying Asset;
- the markets you're exposed to can be very volatile (i.e. they can move up and down in value quite quickly) and hard to predict;
- you won't own or have any rights in the Underlying Asset when you invest in a product based on that asset (for example a CFD based on Apple US shares doesn't mean you own Apple shares);
- if you're a Professional Client, your losses may be far greater than the money you've deposited into your Account or that you're required to deposit to satisfy Margin Requirements – in other words you could end up with a negative amount in your Account that you have to pay us; and
- if you don't have enough money in your account to support an open Contract, you may be closed out of that Contract before you're ready.

It's important that you read and understand the Agreements, as defined in section 20.1, and consider getting independent advice before you start trading with us.

1. Getting started

Applying for an Account

- 1.1 You need to have an active Account before you can trade with us. You can apply for more than one Account.
- 1.2 This is the process for applying for, opening and activating your Account:
 - (a) you need to complete an Application Form, which we'll decide to accept in our sole discretion;

- (b) if we accept your Application Form, we'll open an Account for you;
- (c) if we need you to pay us money as Margin, subject to clause 1.3:
 - (i) you need to deposit the Margin that we ask for into our trust account; and
 - (ii) once your money has been cleared, we'll credit your Account with the Margin that you've deposited.

1.3 We'll hold any money that you pay to us in compliance with CySEC's client funds rules and clauses 4.6 to 4.8 of these Terms.

1.4 CySEC rules require us to assess your information regarding your knowledge and experience in the particular products and services that we offer so that we can assess whether our products and services are appropriate for you.

Term

1.5 The Agreements take effect when you accept them online as part of your Account application process and will remain in force unless terminated under these Terms.

No personal advice

1.6 The contents of these Terms and any information that we give you is general and doesn't take into account your personal situation, financial objectives or needs. In particular, we don't provide personal advice about whether you should open, hold or Close-Out a Contract. You're entirely responsible for assessing the features and risks of the products that we offer and seeking your own independent advice about whether they're suitable for you, before you trade with us.

Underlying Assets

1.7 You acknowledge that when you trade with us, you don't own, have any rights in, or take physical delivery of any Underlying Assets, and there's no exchange of one Underlying Asset for another.

Appropriateness

1.8 We're required to ensure that our products are only distributed to people who have suitable levels of knowledge and experience to trade them. Before you're able to trade, you'll need to pass our appropriateness test, which contains questions about your financial strength and your knowledge and experience in products that we offer. If you fail the appropriateness test, you won't be able to re-take the test for a period of time. You must ensure that the information that you provide in the appropriateness test is true and accurate. Unless you tell us otherwise in writing that the information you've previously provided is out of date, we'll be entitled to rely on it.

Client classification

1.9 Your client classification will determine the level of regulatory protection that you'll get when you trade with us. Unless we agree otherwise, you'll be treated as a Retail Client in compliance with MiFID II. Retail Clients are given the highest regulatory protections available.

1.10 We'll send you a 'welcome' email once you've activated your Account which will confirm your client classification.

1.11 Please note that some of CySEC's rules about client funds may not apply to you if you're a Professional Client and agree to opt-out of the client funds provisions.

1.12 If you want to be re-classified (either upgraded to a Professional Client or an Eligible Counterparty or downgraded to a Retail Client) then you'll need to provide us with a written request for re-classification.

1.13 We'll consider any re-classification requests on a case-by-case basis having regard to regulatory requirements and any change in your circumstances, and make a decision at our discretion.

1.14 You're responsible for letting us know if you have a change in circumstances that warrants a re-classification of your client status.

1.15 If you request to opt-up to Professional or Eligible Counterparty status, we'll inform you of the regulatory protections that you'll lose before we agree to your re-classification request.

1.16 We may carry out additional reviews of your client classification at any time, at our discretion. We'll tell you in writing if anything impacts your classification.

Entering into a Contract with you

1.17 We enter into a Contract with you when we accept an Order that you've submitted, provided that you comply with your obligations under the Agreements. Please refer to clause 2 of these Terms for more information on Orders and pricing.

1.18 Whenever we send you a notice that sets out an amount or rate for a Contract or Order, you should take it as evidence of that amount or rate, unless it's proven incorrect. You're responsible for verifying the contents of each notice that you receive from us. We'll take our notices to be correct and conclusive, unless you tell us otherwise in writing within 3 Business Days of receiving it.

1.19 We enter into each Contract with you as a principal. We don't enter into Contracts as an agent on your behalf.

1.20 You also enter into each Contract with us as a principal, unless we otherwise agree with you in writing.

1.21 You can instruct us to enter into a Contract which is opposite to one or more of your open Contracts.

Closing-Out your Contract

1.22 Your open Contract is Closed-Out:

(a) when we accept your Order requesting Close-Out of your Contract (including where the Order is deemed to be a Close-Out under clause 1.22 of these Terms); or

(b) by us under clause 16.

1.23 If your Contract is Closed-Out under clause 16.2, we'll pay you any Profit and you must pay us any Loss on your Account, to the extent that these amounts haven't already been prepaid under clause 5 of these Terms.

Trading on your Account

- 1.24 You must not permit another person to trade on your Account (as your agent or otherwise) without our written approval and without first completing any documents and due diligence process that we require from you and your proposed agent regarding these arrangements. You acknowledge that you're entirely responsible for any activities carried out by another person on your Account, whether or not you've appointed them as an agent in compliance with these Terms.
- 1.25 If you act as an agent for another person, we won't accept that person as a 'client' unless we agree with them in writing and have them complete the required documents, regardless of whether you identify that person to us.
- 1.26 You must let us know if you've withdrawn your agent's authorisation.
- 1.27 We reserve the right to decline or terminate any agency arrangements in our sole discretion.

Treating your Accounts separately

- 1.28 If you've opened more than one Account with us, we'll treat your Accounts as entirely separate, except as otherwise set out in the Agreements.
- 1.29 If you have a credit on one of your Accounts, you're not released from any of your liabilities regarding your other Accounts, except where we exercise our rights under clause 5 and clause 16.3 of these Terms.
- 1.30 We can, in our absolute discretion, agree to treat your Accounts as one Account if you ask us to do so in writing. In this case, all references to your Account in the Agreements will be taken to be your total Accounts. We'll let you know whether we agree to treat your Accounts as one Account within 7 days of receiving your request.

Our Platform

- 1.31 The Platform is an online facility that allows you to execute your trades as well as view, download and print the Confirmations and other reports that we provide about your Account.

- 1.32 It's your responsibility to understand and assess the Platform before trading with us.
- 1.33 You can access and use the Platform to:
- (a) submit Orders to us;
 - (b) receive Confirmations and other reports that we make available to you by posting in the Platform;
 - (c) review your Contracts; and
 - (d) monitor your obligations under the Agreements.
- 1.34 The Platform is provided by third parties and because of this, we don't control, endorse or vouch for the accuracy or completeness of the Platform. It's provided to you on an "as is" basis, without any express or implied warranty or guarantee from us and we don't promise that it's fit for a particular purpose.
- 1.35 These terms apply to Contracts that you execute through our Platform:
- (a) we're not liable to you for any loss, expense, Cost or liability that you suffer or incur because of any failure of the Platform, data or service interruptions, transmission failure or delays or similar technical errors arising out of or in connection with the use, operation, performance and/or error or malfunction of the Platform, other than as a result of our fraud, willful default or negligence;
 - (b) we're not liable to you for any removal of Profits or Losses you might suffer due to errors in quotes which are the result of our typing errors, feed errors or any incorrect perception of information that you enter into the system other than as a result of our fraud, willful default or negligence;
 - (c) we're entitled to make the necessary corrections in your Account based on the market value of the relevant Underlying Asset the time an error occurs;
 - (d) the price of your Contract may change in the time between when we initially offer it to you and when we receive your Order, because of delays in transmission between you and us. If we offer automatic Order execution to you, we're entitled to change the price at which your Order is executed to

the market value at the time we receive the Order from you;

- (e) our Platform may be available in several versions, which can vary regarding certain features, including but not limited to the level of security applied and products and services available. We're not liable to you for any loss, expense, Cost or liability that you suffer or incur because you've used a different version of the Platform than our current standard version (with all available updates installed);
- (f) you're responsible for all Orders and for the accuracy of all information sent via the Platform using your name, password or any other means of personal identification implemented to identify you;
- (g) you must keep all passwords secret and ensure that no one else accesses your Account;
- (h) you're liable to us for Contracts executed via your password even if you haven't allowed your password to be used or your Account is wrongfully accessed; and
- (i) any Confirmation that we send or make available to you on the Platform is our confirmation of a Contract, regardless of whether the Platform confirms that the Contract is executed immediately when you send your instructions.

Our Trading Hours

- 1.36 The Platform opens on Sunday at 5:01pm New York (EST) time and closes at 4:55pm New York (EST) time Friday. You can view live prices and place live Orders during these hours except during rollover from 4:59pm to 5:01pm New York time, when trading is disabled. You can still access the Platform and view your Account, market information, research and our other services outside of these hours, but you acknowledge that you won't be able to trade or access any live prices.
- 1.37 We'll provide services to you outside of these hours at our sole discretion. Trading times for each Contract may vary within these times, please check our [website](#) for further information on trading sessions for your Contract.

- 1.38 We're not obliged to quote Underlying Asset prices or accept Orders on a public holiday in any jurisdiction which, in our reasonable opinion, affects the relevant Underlying Asset. We provide notices of public holidays and the Underlying Assets affected within the Platform.

2. Orders and pricing

- 2.1 We'll conclude your transactions in good faith and in-line with our Order Execution Policy, which complies with CySEC rules.

Quoting Underlying Asset prices

- 2.2 We quote the prices at which we're prepared to enter into a Contract with you.
- 2.3 You acknowledge that:
 - (a) any quote that we provide you under this clause 2 is indicative only; and
 - (b) we don't enter into a Contract with you until we accept your Order, in compliance with the Agreements.

Placing an Order with us

- 2.4 By placing an Order with us, you can:
 - (a) offer to enter into a new Contract with us; or
 - (b) ask us to Close-Out an open Contract.
- 2.5 You can provide us with verbal or written Orders (including via the Platform as set out below). We'll acknowledge your instructions either verbally or in writing, as appropriate.
- 2.6 Your Order can be:
 - (a) a day Order, which means that your Order will be automatically cancelled at 22.00 GMT; or
 - (b) a "good 'til cancelled" Order, which means that your Order will remain capable of being accepted by us, until either you cancel it or we accept it.
- 2.7 Before placing an Order you're responsible for ensuring that:

- (a) the amount of money that you have on deposit in your Account is equal to or more than the Margin that we require for your Order; and
 - (b) you comply with clause 5 of these Terms.
- 2.8 You must provide us with these details when you place an Order with us:
- (a) whether you intend to be the Long Party or the Short Party under the Contract;
 - (b) the Contract Quantity; and
 - (c) the Underlying Asset and any other information that we require for your Order.

Our acceptance of your Order

- 2.9 We can accept an Order from you in whole or in part, at our discretion. We accept your Order when we record the transaction that relates to your Contract in our system.
- 2.10 If we decide not to accept your Order, we'll let you know.
- 2.11 If we accept your Order, we'll send you a Confirmation. We can email Confirmations and other reports to you in addition to making them available to you within the Platform. You acknowledge that we're not obliged to provide you with any other notice of acceptance.
- 2.12 Once we accept your Order, it's binding on you. You acknowledge that the validity of your Order and/or your Contract won't be affected if you don't receive a Confirmation.
- 2.13 You can place these types of Orders (or a combination of them) with us:
- (a) market Orders, to trade a Margin FX Contract or CFD as soon as possible at the price available in the market; or
 - (b) Limit Orders and Stop Loss Orders to trade when the price reaches a predefined level, as applicable to the various Underlying Assets offered.
- 2.14 You must place Limit Orders to buy and Stop Loss Orders to sell below the current market price.

- 2.15 You must place Limit Orders to sell and Stop Loss Orders to buy above the current market price.
- 2.16 If the bid price for a sell Order or ask price for a buy Order is reached, the Order will be filled as soon as possible at the price available in the market. We can't guarantee that Limit Orders or Stop Loss Orders will be executed at the specific level or amount you set.
- 2.17 If you ask us to cancel an Order and we don't receive your request until after we've accepted that Order, the Contract or Close-Out resulting from our acceptance of your Order is valid and binding on you and us under the Agreements.
- 2.18 You acknowledge that any action you take to modify or cancel an Order is ineffective unless:
- (a) we've received a cancellation notice from you in a form that's acceptable to us; or
 - (b) we've cancelled the Order in our system.
- 2.19 If there's a conflict between:
- (a) the Agreements; and
 - (b) our records of a Contract or an Order, our records of the transaction will prevail.

Pricing errors

- 2.20 It's possible for errors, omissions or misquotes ("**Material Errors**") to occur in the pricing that we quote for Contracts.
- 2.21 A Material Error may include an incorrect price, date, time or any error or lack of clarity of any information regarding a Contract.
- 2.22 If your Contract is based on a Material Error, we reserve the right to do any of these things (or a combination of them), without your consent:
- (a) amend the terms and conditions of the Contract to reflect what we consider to have been a fair price at the time the Contract was entered into, had there been no Material Error;
 - (b) apply an equity adjustment to your Account, if:
 - (i) the value of the adjustment reflects what we consider to have been the

fair price at the time the Contract was entered into, had there been no Material Error; and

- (ii) we provide you with a record of the adjustment as soon as reasonably practical afterwards;

(c) Close-Out your Contract;

(d) require you to repay us any money we've paid you regarding the Contract;

(e) void the Contract from the outset; or

(f) not take any action to amend or void the Contract.

2.23 We'll exercise our rights under clause 2.22 reasonably, in good faith and as soon as we're reasonably able to after we become aware of the Material Error. Where possible, we'll let you know before we take any action under this clause, but if that's not possible, we'll let you know as soon as possible afterwards.

2.24 In the absence of fraud or gross negligence on our part, we're not liable to you for any loss, Cost, claim, demand or expense that you incur or suffer (including loss of profits or indirect or consequential losses), arising from or connected with a Material Error, including where the Material Error arises from an information service that we rely on.

Price, execution process and Platform manipulation

2.25 If we reasonably believe that you've manipulated our prices, execution processes or the Platform, including using any electronic device, software, algorithm, trading strategy or arbitrage practice (including but not limited to latency abuse, price manipulation or time manipulation) to take unfair advantage of the way in which we construct, provide or convey our bid or ask prices, we may in our sole and absolute discretion, and subject to clause 2.22, do one or more of these things without your consent:

(a) enforce the Contract against you if you owe money to us under the Contract;

(b) treat the Contract as void from the outset if we owe money to you under the Contract,

unless you provide us with conclusive evidence that you haven't committed any breach of warranty, misrepresentation or breach of undertaking under the Agreements, within 30 days of us giving you notice under this clause;

(c) withhold any funds that we suspect have been made from these activities;

(d) make any corrections or adjustments to your Account;

(e) close your Account; and/or

(f) take any other action that we consider appropriate.

3. Dealings between you and us

3.1 We're entitled to act on the verbal or written Orders that we receive using your username, account number, user ID and/or password:

(a) of any Authorised Person; or

(b) of any person who appears to us to be an Authorised Person, even if that the person doesn't actually have authority.

3.2 You agree to promptly provide us with the relevant instructions when we require them from you. If you don't give us prompt instructions, we may, in our absolute discretion, take whatever steps we think are necessary (at your cost) for the protection of you or us, at our discretion. This provision also applies in situations when we're unable to contact you.

3.3 If we receive an instruction to pay you money that's due to you, or if we otherwise think it's warranted, we may ask you for confirmation of your instructions.

3.4 If you're more than one person entering into the Agreements (for example, joint account holders):

(a) you're jointly and severally liable under the Agreements;

(b) we may act on instructions received from any one of you, provided those instructions come from, or appear to us to come from,

you, whether or not you're an Authorised Person;

- (c) any notice or other communication that we provide to one of you, is taken to be provided to all of you; and
- (d) our rights under clause 16 apply if an Event of Default occurs regarding any one of you.

4. Payments to and from your Account

Adjustments to your Account

4.1 You can access this information in your Account:

- (a) the Contracts that you've entered into with us;
- (b) the payments you've made or that you're required to make to us; and
- (c) the payments we've made or that we're required to make to you.

4.2 You permit and direct us and our Liquidity Provider(s) to do any of these things regarding your Account, without letting you know:

- (a) debit from your Account any Free Balance that you request to withdraw and any money that you owe us under the Agreements;
- (b) credit to your Account any money that you deposit and any amounts that we owe you under the Agreements; and
- (c) designate the money in your Account as either Free Balance or Margin depending on the amount of money that you deposit with us, your Orders, Contracts and market movements, in compliance with the Agreements.

Payment methods

4.3 We reserve the right to remove or restrict the payment methods that you use to deposit and withdraw money from your Account.

4.4 We'll only accept withdrawals/deposits of money if we're satisfied that you or your

authorised representative is the sender of the money. If we decide that the money has come from someone other than you (i.e. from a funding method in someone else's name), we reserve the right to decline your deposit and return the money to the original payment method, net of any transfer fees and charges that we've incurred.

4.5 If we're not satisfied that a payment method is in your name, we reserve the right to ask you for documents to prove this before we decide whether to credit your Account.

How we use the money that you deposit with us

4.6 We deposit the money that you pay us into our segregated client money account, which is an account held with a CRD credit institution and maintained in compliance with CySEC's client funds rules and the Investor Compensation Fund or ICF for eligible investors, up to a maximum of €20,000. Further details about the ICF are available via CySEC's [website](#) or on request.

4.7 We may hold the money that you pay us with financial institutions located outside of Cyprus, which are subject to laws and regulations that are different from those that apply to financial institutions in Cyprus. If a foreign financial institution becomes insolvent or fails, your money may be treated differently than it would be if it was held in Cyprus. We're not liable for the solvency, acts or omissions of any financial institution or other third party holding client money. We'll exercise all due skill, care and diligence in selecting, appointing and reviewing the institution(s) where we deposit your money.

4.8 You acknowledge and agree that:

- (a) we don't keep your money separate from the money of other clients in our segregated client money account;
- (b) we'll only withdraw your money from our segregated client money account to:

- (i) make a payment in line with your written directions (including but not limited to Mark to Market payments);

- (ii) withdraw fees charged as part of a deposit or withdrawal transaction;
 - (iii) pay money to us that we're entitled to as a result of you trading with us;
 - (iv) make a payment that's otherwise permitted by law or in compliance with the operating rules of a licensed market; and
 - (v) we reserve the right, at any time in our sole discretion, to setoff any unrealised losses you have incurred on an open Contract against any money that we hold on your behalf to your credit;
- (c) any money that we withdraw from our segregated client money account under clause 4.8 belongs to us and will no longer be held on your behalf;
- (d) unless we otherwise agree in writing with you:
- (i) we're solely entitled to any interest or earnings derived from your money being deposited in our segregated client money account and the trust account of our Liquidity Provider. We decide when the interest or earnings are due and payable to us at our discretion and we're under no obligation to pay any interest to you; and
 - (ii) we may use your money in our segregated client money account to meet our obligations in connection with margining, guaranteeing, securing, transferring, adjusting or settling dealings in our Products (including dealings with our Liquidity Provider) and for meeting trading obligations with other clients. Any money that we withdraw from our segregated client money account under this clause 4.8(d)(ii) will be held in one or more accounts in our Liquidity Provider's name.
- 4.10 Please note that we can choose to withhold some or all of any withdrawal that you request at our discretion if:
- (a) we need you to maintain a certain amount of money in your Account to meet our Margin requirements under clause 5;
 - (b) we're lawfully entitled to withhold the amount; or
 - (c) in line with clauses 4.3 and 4.5 of these Terms.
- 4.11 We'll let you know as soon as reasonably possible if we decide to withhold any part of your Free Balance under clause 4.10.
- 4.12 It may take us up to 3 business days to process your withdrawal request. If further information is required under clause 4.5, this may further delay processing of your withdrawal. We'll take all reasonable steps to keep you informed about the progress of your withdrawal requests under this clause, including any delays and other information that we need.
- 4.13 You acknowledge and agree that we'll deposit the money that you withdraw in your bank account:
- (a) on the value date received by the institution, net of any transfer fees or other charges that we've incurred which have been imposed by the institution (or intermediary involved in the process) that holds the funds;
 - (b) using the same transfer method and the same remitter through which we originally received the money from you. In this situation, we'll return the part of the money you've requested net of any transfer fees or other charges that we incur.
- 4.14 From time to time we may merge the money held in different Accounts without your permission. This doesn't under any circumstances imply that you have the right to a credit facility.
- 4.15 We reserve the right to decline a withdrawal that you have requested using a specific payment method and suggest an alternative to your chosen payment method.

Withdrawing your Free Balance

- 4.9 If your Account shows that you have Free Balance, you can ask us to pay some or part of that Free Balance to you.

4.16 You acknowledge that the holding institution may reverse some or all of the money you've requested to withdraw, for any reason. If this happens, we'll need to immediately reverse the amount from your Account, net of any transfer fees or other charges that we've incurred, using the same payment method through which we originally received the funds. You acknowledge that:

- (a) this may result to a negative balance in your Account; and
- (b) if this happens, we may merge the money held in your different Accounts as set out in clause 4.14 above.

5. Margin requirements and Platform systems

Your Margin obligations

- 5.1 You acknowledge that it's your responsibility to be aware of our Margin requirements and agree to pay money into your Account to meet those requirements, at all times while your Contract is open. We're not obliged to let you know when the money you have on deposit in your Account is less than our Margin requirements.
- 5.2 If the money in your Account isn't enough to cover our Margin requirements for your Contract, you must Close-Out your Contract and/or transfer the necessary additional money to us in cleared funds.
- 5.3 If we ask you to transfer money to us to meet our Margin requirements, you must take this action immediately. If you don't, we'll consider it an Event of Default under these Terms. We may also cancel any Orders or Close-Out one or more of your Contracts or part of a Contract at our sole discretion without being liable to you, regardless of whether you transfer additional money to us under this clause 5.
- 5.4 You can calculate the Margin requirements for your Contract from within the Platform. When placing Orders over the phone, it's your responsibility to request all relevant information in respect of your Account, including any open Contracts, to ensure you meet our Margin requirements. We're not responsible for any losses you incur as a result of failing to request this information.

5.5 We operate Margin Call and Margin stop-out systems designed to prevent you from incurring a negative balance on your Account. Our system is automated and will monitor every client Account while the markets are open. Margin is monitored as a percentage and calculated as follows:

$$\text{Equity} / \text{Margin} = \text{Margin Percentage}$$

- 5.6 Each type of Platform that we offer has a different Margin Call and stop-out system.
- 5.7 There may be differences between the way Margin is calculated on an Account basis between the Platforms. Before using a Platform, we recommend that you make yourself aware of the specific Margin requirements by visiting the relevant website for the Platform.

MetaTrader 4 and MetaTrader 5

- 5.8 If you're a Retail Client or a Professional Client and your Margin Percentage falls below 90% in MetaTrader 4/MetaTrader 5, the Platform will automatically trigger a Margin Call. A Margin Call will be displayed to you in two ways:
 - (a) the Platform will send you an internal email to inform you of the Margin Call, providing an audible notification; and
 - (b) the area of the Platform that displays your balance and equity will flash red.
- 5.9 If you're a Retail Client and your Margin Percentage falls below 50%, the Platform will automatically trigger a Margin stop-out. This will begin to Close-Out your open Contracts until your Margin Percentage rises above 50% again.
- 5.10 If you're a Professional Client and your Margin Percentage falls below 20%, the Platform will automatically trigger a Margin stop-out. This will begin to Close-Out your open Contracts until your Margin Percentage rises above 20% again.

cTrader

- 5.11 cTrader doesn't currently have a Margin Call system built into its software. It's your

responsibility to monitor your Margin through the Platform.

- 5.12 If you're a Retail Client or a Professional Client, the cTrader stop-out system will activate if your Margin Percentage is 50% or below.

Accessing the Platform

- 5.13 If we're not able to give you access to the Platform to view your Account information because of circumstances outside of our control, we'll attempt to contact you to ask you to deposit more money into your Account to meet our Margin requirements. You acknowledge that in extreme circumstances where your Contract is moving or has moved particularly quickly against you, we may not be able to contact you before exercising our rights to Close-Out your Contract under the Agreements. This waiver applies to you regardless of any communications we have with you.

6. Negative equity balances

- 6.1 When certain market conditions take place that are outside of our control, the Platform's automated stop-out procedures may not prevent you from incurring a negative equity balance on your Account.
- 6.2 In this situation, if you're a Retail Client:
- (a) you won't be liable for any negative equity balance on your Account; and
 - (b) we'll adjust your Account equity balance to zero within 1 Business Day.
- 6.3 If you find a negative equity balance on your Account that hasn't been corrected, please contact us at support@pepperstone.com.
- 6.4 Negative balance protection doesn't apply to any commissions and charges that you've incurred on your Account. It also doesn't apply to you if:
- (a) you're classified as a Professional Client or Eligible Counterparty (please refer to clauses 1.9 to 1.16 of these Terms for more information on client classification); or
 - (b) you've incurred the negative equity balance on your Account as a result of a breach of

these Terms or any applicable market rules.

7. Mark to Market Payments, commissions, charges and other costs

Mark to Market Payments

- 7.1 We calculate the value of your Contract as at each Valuation Time.
- 7.2 If the value of your Contract is greater than its previous value at Valuation Time, the Short Party/Seller need to pay the Long Party/Buyer the difference between the current value of your Contract and the previous value.
- 7.3 If the value of your Contract is less than its previous value at Valuation Time, the Long Party/Buyer must pay the Short Party/Seller the difference between the current value of your Contract and the previous value.
- 7.4 If the value of your Contract is greater on the Close-Out date than its previous value at Valuation Time, the Long Party must pay the Short Party the difference between the current value and the previous value.
- 7.5 If the value of your Contract is less on the Close-Out date than its previous value at Valuation Time, the Short Party must pay the Long Party the difference between the current value and the previous value.
- 7.6 We'll credit any Mark to Market Payments that we owe you to your Account.
- 7.7 We'll debit any Mark to Market Payments that you owe us from your Account on the same Business Day on the Valuation Time or Close-Out date, as relevant.
- 7.8 We'll treat any Mark to Market Payment that we make under this clause 7:
- (a) firstly as a refund of any Loss prepaid by you under clause 7.9(b); and
 - (b) secondly, if the Mark to Market Payment exceeds the amount referred to in clause 7.8(a), the excess will be treated as a prepayment of any Profit.

- 7.9 We'll treat any Mark to Market Payment that we you make under this clause 7:
- (a) firstly as a refund of any Profit that we've prepaid under clause 7.8(b); and
 - (b) secondly, if the Mark to Market Payment exceeds the amount referred to in clause 7.9(a), the excess will be treated as a prepayment of the Loss.

Commissions

- 7.10 You're required to pay us the commissions and other charges that apply to your Contract. To view the commissions and charges applicable to your Contract, please visit our 'Accounts Overview' page on our [website](#) and select the relevant product from the list provided.
- 7.11 Generally, we'll vary our commissions and charges by giving you 30 days' notice. Sometimes we might need to make these changes more quickly because of circumstances beyond our control. If this happens, we'll give you as much notice as possible. These circumstances include:
- (a) changes in our relationship with our Liquidity Providers which affect our cost structures; and
 - (b) changes in commissions (including as a result of significant currency fluctuations because we're charging commission in foreign currency) and charges from exchanges, clearing houses, information providers or other third party providers that we pass on to you.
- 7.12 We debit our commissions and charges from your Account at Close of Business on the day you incur them.

Interest on open Contracts

- 7.13 If you don't pay us the money that you owe us under the Agreements within our required timeframe, we may charge you interest on the unpaid amount at the default interest rate, which will be the LIBOR rate plus 3%. We'll debit the default interest amount from your Account each day until you pay us what you owe under the Agreements.

- 7.14 We may change our default interest rates without giving you notice when the changes are to your advantage, or because of any of these external circumstances that are beyond our control:
- (a) changes in domestic or overseas monetary or credit policies, or developments in money or bond markets that affect interest rates; or
 - (b) changes to our relationships with our Liquidity Providers which affect our cost structures.
- 7.15 In all other situations, we'll give you 30 days' notice before we change our interest rates.

Currency conversions

- 7.16 Money can be paid under the Agreements in these currencies, on the terms set out in this clause: British Pound Sterling (GBP), Euro (EUR), Australian Dollars (AUD), United States Dollars (USD) and Swiss Francs (CHF).
- 7.17 If you transfer amounts of money that are denominated in different currencies between your Accounts, we'll convert each amount into your nominated currency (from those listed in clause 7.16 above) at the current spot rate, minus a conversion fee that we'll charge you of up to 1 per cent.
- 7.18 Your realised Profits and Losses will be converted into your nominated currency (from those listed in clause 7.16 above) at the current spot rate immediately on Closing-Out your Contract.
- 7.19 We'll debit any money you owe us under clause 7.17 and 7.18 from your Account at Close of Business on the day that a currency conversion occurs.
- 7.20 We may waive or defer our conversion calculation fee at our discretion.

Swap Rates

- 7.21 If your Contract is open at Close of Business it will be subject to a Swap Charge or Swap Benefit, or daily financing costs.

7.22 We do this by adjusting the value of your open Contract by an amount equal to the Swap Charge or Swap Benefit, in line with these terms:

- (a) if you're the Long Party and:
 - (i) the bought Swap Rate is positive, we'll credit your Contract with a Swap Benefit; or
 - (ii) the bought Swap Rate is negative, we'll debit your Contract with a Swap Charge;
- (b) if you're the Short Party and:
 - (i) the sell Swap Rate is positive, we'll credit your Contract with a Swap Benefit; or
 - (ii) the sell Swap Rate is negative, we'll debit your Contract with a Swap Charge.

8. Our rights

8.1 In addition to any other rights we have under the Agreements, we can do these things, with or without letting you know:

- (a) Close-Out all or part of your Contracts in our absolute discretion;
- (b) reduce your position limit;
- (c) refuse your Orders;
- (d) terminate the Agreements between us and you, including these Terms;
- (e) adjust the price, size or value of your Contract; or
- (f) adjust the Margin requirements for your Contract.

8.2 We may exercise our rights under clause 8.1 if:

- (a) an Event of Default has occurred;
- (b) we reasonably consider that there are abnormal trading conditions;

- (c) we reasonably consider that it's necessary for the protection of our rights under the Agreements;
- (d) we're unable to make prices in the relevant Contract because the necessary market information isn't available, for reasons beyond our control;
- (e) we decide to do so in our absolute discretion and, in this case only, let you know in writing;
- (f) we consider that you may be in possession of 'inside information';
- (g) we consider that you may be in breach of any applicable law;
- (h) either party is asked to do so by CySEC or any other regulatory agency or authority;
- (i) you don't have enough money in your Account to meet our Margin requirements in respect of your Account; or
- (j) the total value of your Orders and all other orders for an Underlying Asset is below the minimum or above the maximum values that we reasonably consider appropriate in the market.

8.3 You acknowledge that we're not under any duty to open or Close-Out your Contract or pay any Free Balance to you if we, acting reasonably, believe that doing so would breach our legal or regulatory obligations. If you've opened a Contract before we've formed this belief we may, at our discretion, either Close-Out your Contract at the then prevailing bid or ask price, or void the Contract from the outset.

9. Market suspension and disruption

9.1 If, at any time:

- (a) trading in an Underlying Asset on any exchange is limited or suspended; or
- (b) trading is limited or suspended on any exchange which restricts trading within any relevant index, so that we're prevented from determining the price of the Underlying Asset, then we'll take the price of the Underlying Asset as being the price

immediately preceding the limitation or suspension.

any adjustment as soon as reasonably practicable.

9.2 If the limitation or suspension continues for 5 Business Days, we may Close-Out your part or all of your Contract in our discretion. When this happens, we'll decide the Close-Out date and the Close-Out value of your Contract in good faith (the Close-Out value will be the Underlying Asset price x the number of Contracts).

9.3 We reserve the right at all times during any limitation or suspension period to adjust the price of any affected Underlying Asset in our reasonable discretion, taking into account the prevailing market conditions.

10. Corporate Actions

Corporate Actions

10.1 If your Contract is the subject of a Corporate Action, we'll decide what adjustment, if any, we'll make to your Contract or your Order to:

- (a) preserve the economic equivalent of the rights and obligations of you and us in relation to the Contract immediately before the Corporate Action took place; and/or
- (b) replicate the same effect of the Corporate Action on your Contract that it would have on someone with an interest in the relevant Underlying Asset. This may include Closing-Out a Contract or opening a new Contract.

10.2 We'll act reasonably to decide on any adjustments that we make to your Contract or Order under this clause 10. These adjustments can include changes to the size, value or number of your Contracts and to the level of your Order. Any action that we take under this clause 10 will be effective from a date that we set and may be retrospective. Once we make an adjustment to your Contract or Order, it's binding on you.

10.3 If you're the Long Party on the Contract that's affected by a Corporate Action, we'll consider any preferences you have about the action or adjustment we should make to your Contract or Order, provided that you let us know within a reasonable period of time after the Corporate Action. If you're the Short Party, we'll take whatever action that we consider necessary, in line with clause 10.2. We'll let you know about

Takeovers

10.4 If your Contract's Underlying Asset is shares in a company that's the subject of a takeover offer, then:

- (a) we'll use our reasonable endeavours to let you know about the takeover offer;
- (b) we'll apply the terms of the takeover offer to your Contract, as if you were a holder of the Underlying Asset;
- (c) we may offer you the opportunity to agree to the takeover offer (as it applies to your Contract), or we may choose to agree to it on your behalf where we, acting reasonably, believe it's in your best interests. In either case, your Contract will be suspended and you won't be able to trade it until the closing date of the takeover offer, when the Contract will be Closed-Out in line with the terms of the takeover offer;
- (d) you acknowledge and agree that we're entitled to cancel or adjust your Contract or Order to reflect the takeover offer, and that you'll be bound by any cancellation or adjustment that we make;
- (e) if you don't agree to the takeover offer and we don't agree to it on your behalf, but the takeover goes ahead anyway (for example, if drag-along rights apply), you agree that we're entitled to cancel or adjust your Contract or Order to reflect the takeover offer, and that you'll be bound by any cancellation or adjustment that we make; and
- (f) we may let you know of our intention to Close-Out your Contract at any time before the closing date of the takeover offer. The Close-Out date of the Contract will be the date that we send this notice to you. We'll decide the price that your Contract is Closed-Out at, based on our reasonable assessment of the market value of the Underlying Asset at the relevant time.

Voting rights

10.5 You acknowledge that we won't transfer voting rights in an Underlying Asset to you, or otherwise allow you to influence how we or any agent that we appoint exercise any voting rights that we hold.

Interest

10.6 We'll assess the value of your open Contracts and calculate the cost of holding the position at the benchmark interest rate plus (or minus) our fixed overnight charge, which is available on our website. We'll apply a different final interest rate depending on whether you're the Long Party or Short Party:

- (a) if you're the Short Party, you'll receive the benchmark interest rate minus our fixed overnight charge; and
- (b) if you're the Long Party, you'll pay the benchmark interest rate plus our fixed overnight charge.

10.7 For some expiring Contracts, our quote for that Contract (which is based on the Underlying Market), will include an interest component. Please check the Platform to see which of our Contracts contain interest components. We won't adjust expiring Contracts for interest as set out in clause 10.6.

Dividends

10.8 We'll either credit or debit your Account with a dividend adjustment if the Underlying Asset for your Contract is a stock, share or index which pays a dividend, and your Contract is open on the ex-dividend day for that Underlying Asset.

10.9 If you're the Long Party, unless we agree otherwise with you, we'll credit your Account with a cash adjustment which will generally reflect either:

- (a) the net dividend that a taxpayer in the jurisdiction where the Underlying Asset is based would receive if they held the same position in the Underlying Asset; or
- (b) usual practice for dividend payments in the jurisdiction where the Underlying Asset is based.

10.10 If you're the Short Party, we'll debit your Account with a cash adjustment which will generally reflect the pre-tax dividend amount, unless we agree otherwise with you.

10.11 For some expiring Contracts, our quote for that Contract (which is based on the Underlying Market) will include a forecasted dividend component. Please check the Platform to see which of our Contracts contain interest components. We won't adjust expiring Contracts for dividends as set out in clauses 10.8 to 10.10.

10.12 If a dividend is declared or paid for an Underlying Asset of an expiring Contract:

(a) and the dividend is:

- (i) a special dividend;
- (ii) unusually large or small; or
- (iii) payable on an ex-dividend date that's unusually early or late; or

(b) if a previously regular dividend is omitted, we may make an appropriate adjustment (which may be retrospective) to the price that your Contract is opened at, or the size of your Contract, having regard to dividend payments in previous years for the same Underlying Asset.

11. Market abuse

11.1 Because we automatically pass on your Orders to our Liquidity Provider, your Orders can have a distorting influence on the Underlying Market as well as an impact on our prices.

11.2 Each time you open or Close-Out a transaction, you represent and warrant to us that:

(a) you haven't and won't place the particular Order with us if doing so would result in either:

- (i) you, or others that you're acting together with; or
- (ii) us, as a result of our automatic hedging of our exposure to you in respect of your Order;

having an exposure to the price of the Underlying Asset which is equal to or exceeds the amount of a declarable

interest in the relevant financial instrument. For the purpose of these Terms, the level of a declarable interest will be the prevailing level at the material time, set by law or regulation or by the relevant exchange upon which the Underlying Asset is listed; and

- (b) you haven't and won't place an Order with us in connection with:
 - (i) a placing, issue, distribution or other similar event;
 - (ii) an offer, take-over, merger or other similar event; or
 - (iii) any other corporate finance style activity that you're involved or otherwise interested in; and
- (c) you will disclose any economic interest that you have in the Underlying Asset to which your Order relates, where required by law or regulation;
- (d) you won't open or close any transaction or place an Order that breaches any law or regulation regarding insider dealing or market manipulation. For the purpose of these Terms you agree that we may proceed on the basis that when you open or close a transaction or place an Order with us on a share price, you may be treated as dealing in securities within the meaning of the Market Abuse Regulation [Regulation (EU) No 596/2014 of the European Parliament and of the Council of 16 April 2014 on market abuse and any other law or regulation regarding market abuse.

11.3 You acknowledge that for the purpose of complying with our legal and regulatory obligations we may, in our absolute discretion and without being under any obligation to let you know our reason for doing so, cancel any Orders, Close-Out all or part of your Contracts and/or treat your transactions as void. This is in addition to any other rights that we may have under clause 8 of these Terms.

12. Your obligations

Warranties and representations

You agree that using any device, software, algorithm, strategy or practice in your dealings with us whereby you are not subject to any downside market risk will be evidence that you are taking unfair advantage of us; and
 - (ii) not using any electronic device, software, algorithm, or any trading strategy that aims to manipulate or take unfair advantage of our Platform.
- 12.2 The above warranties and representations will be taken as repeated each time you place an Order.
- 12.3 You and the Guarantor acknowledge that we've entered into the Agreements in reliance on the representations and warranties in this clause 12.
- 12.4 You and the Guarantor agree to:
- (a) let us know immediately if any warranty or representation that you or the Guarantor have made under this clause 12 is or becomes incorrect or misleading;
 - (b) do everything necessary to ensure that no Event of Default occurs; and
 - (c) provide us with any financial or other information relating to either yourself or the Guarantor that we may reasonably request.
- ## 13. Indemnity and Liability
- ### Indemnity
- 13.1 You indemnify us against any liability or losses arising from, and any Costs incurred in connection with:
- (a) us acting in good faith in connection with the Agreements or any Contract or Order, based on instructions which objectively appear to originate from either you or from an Authorised Person on your Account;
 - (b) an Event of Default;
 - (c) the Agreements or any Contract or Order; or
 - (d) us acting in compliance with any direction, request or requirement of any regulatory authority or government body.
- 13.2 You agree to pay any amounts that you owe us under this indemnity on demand from us.

13.3 This indemnity survives termination of the Agreements.

Exclusion of liability

13.4 We're not liable for any losses or Costs that you incur through:

- (a) your exercise or attempted exercise of, failure to exercise, or delay in exercising, a right or remedy under the Agreements;
- (b) us not accepting your Orders or our delay in accepting your Orders; or
- (c) us not designating or delaying in designating amounts of money in your Account as either Margin or Free Balance,

except where you incur a loss or Cost as a result of our negligence, fraud or willful default.

14. Tax

Taxes generally

14.1 You must pay and account for any transfer or similar duties or taxes, and any loan security or other stamp duties chargeable in connection with any transaction made under the Agreements. You agree to indemnify us and keep us indemnified against any liability arising as a result of your failure to comply with this clause.

Withholding

14.2 If you pay us any money that's subject to any withholding or deduction, you must pay us the relevant additional amount, so that the money we actually receive equals the full amount we would have received had no withholding or deduction been made.

14.3 If we make any payment to you that's subject to any withholding or deduction, we'll pay you the net amount after making the withholding or deduction and won't pay you an additional amount.

15. Guarantee

15.1 Your obligations under the Agreements must be guaranteed:

- (a) if you're a company (including a trustee), by each director of the company; and
- (b) in any other circumstance if we decide, in our absolute discretion, that a guarantee is required.

15.2 The Guarantor acknowledges that we're acting in reliance on them incurring obligations and giving rights under this clause 15.

15.3 The Guarantor unconditionally and irrevocably guarantees your compliance with your obligations in connection with the Agreements, including each obligation to pay us money.

15.4 If you don't comply with your obligations on time and in compliance with the Agreements, then the Guarantor agrees to comply with those obligations on demand from us. We can make a demand on the Guarantor regardless of whether we've made demand on you.

Guarantor indemnity

15.6 The Guarantor agrees to pay any amounts due under clause 15.3 on demand from us.

15.7 It's not necessary for us to incur an expense or make a payment before enforcing this right of indemnity.

that we actually receive equals the full amount we would have received had no withholding or deduction been made.

Extent of guarantee and Guarantor indemnity

15.8 The guarantee in clause 15.3 is a continuing obligation, despite any intervening payment, settlement or other arrangement and extends to all of your obligations under the Agreements.

15.9 The Guarantor waives any right they have of first requiring us to begin proceedings or enforce any other right against you or any other person before claiming from them under this guarantee and indemnity.

Acknowledgement

15.10 The Guarantor acknowledges that before entering into this guarantee and indemnity, they:

- (a) were given a copy of the Agreements (and all documents giving rise to your obligation in connection with the Agreements) and had full opportunity to consider their provisions; and
- (b) are responsible for making themselves aware of your financial position and any other person who guarantees any of your obligations in connection with the Agreements.

Payments

15.11 The Guarantor agrees to make payments under this guarantee and indemnity:

- (a) in full, without set-off, counterclaim or any withholding or deduction unless prohibited by law; and
- (b) in the currency in which the payment is due, and otherwise in Euros, in immediately available funds.

15.12 If the Guarantor makes a payment that's subject to any withholding or deduction, the Guarantor agrees to pay us an additional amount to ensure that the amount of money

Protecting our rights

15.13 The rights given to us under this guarantee and indemnity, and the Guarantor's liabilities under it, aren't affected by any act or omission by us or any other person. For example, our rights and liabilities aren't affected by anything:

- (a) which varies or replaces the Agreements;
- (b) which releases you or gives you a concession (such as more time to pay us);
- (c) which releases any person who gives a guarantee or indemnity in connection with any of your obligations;
- (d) by which a person becomes a Guarantor after the date of this guarantee and indemnity;
- (e) by which the obligations of any person who guarantees any of your obligations (including obligations under this guarantee and indemnity) may become unenforceable;
- (f) by which any person who was intended to guarantee any of the obligations doesn't do so, or doesn't do so effectively;
- (g) by which a person who is a co-Guarantor or co-indemnifier is discharged under the Agreements or by operation of law;
- (h) by a person dealing in any way with the Agreements or this guarantee and indemnity;
- (i) by the death, mental or physical disability, or liquidation, administration or insolvency of any person including you or the Guarantor;
- (j) by changes in the membership, name or business of any person; or
- (k) by acquiescence or delay by us or any other person.

Guarantor's rights are suspended

15.14 As long we require any obligation to be complied with in connection with this guarantee and indemnity, the Guarantor may not, without our consent:

- (a) reduce their liability under this guarantee and indemnity by claiming that you or they or any other person has a right of set-off or counterclaim against us;
- (b) exercise any legal right to claim to be entitled to the benefit of another guarantee, indemnity, or Encumbrance given in connection with the Agreements or any other amount payable under this guarantee and indemnity;

16. Termination

16.1 If all of your Contracts have been Closed-Out, you may terminate the Agreements, including these Terms and your rights associated with the use of the Platform immediately by giving us notice in writing.

16.2 We may:

- (a) Close-Out any of your Contracts; and
- (b) terminate the Agreements, including these Terms and your rights associated with the use of our Platform, either:
 - (i) at any time by giving you 7 days' notice; or
 - (ii) immediately and without notice to you, after an Event of Default or to otherwise protect our interests.

16.3 On termination by either you or us, we may consolidate all of your Accounts and deduct all amounts that you owe us from any Account, before transferring any credit balances on any Account to you.

16.4 The rights and obligations listed below will continue to apply to you after the Agreements have been terminated, in addition to the rights set out at clause 16.3:

- (a) any indemnity granted by you;

17. General Confidentiality

17.1 Each party agrees not to disclose information provided by any other party that isn't publicly available (including the existence or contents of the Agreements) except:

- (a) with the consent of the party who provided the information (and that consent isn't to be unreasonably withheld);
- (b) if allowed or required by law, the Agreements, our Privacy Policy or required by a stock exchange;
- (c) in connection with any legal proceedings relating to the Agreements; or

assignee or potential sub-participant or other person who is considering contracting with us in connection with the Agreements).

Consent to telephone recording

17.2 You agree that we may record all telephone conversations, internet conversations (chat), and meetings between you and us and use or disclose those recordings, or transcripts from those recordings, to any party (including but not limited to any regulatory authority and/or court of law) in connection with any dispute or anticipated dispute between us and you or in line with our legal and regulatory obligations.

Netting

17.3 If at any time both you and we owe each other the same amounts of money under the Agreements, in the same currency, then each of our obligations to make payment of that money will be automatically satisfied and discharged. If the amounts aren't in the same currency, we'll convert the amounts in compliance with clauses 7.16 to 7.20 of these Terms.

17.4 If the total amount of money that's owed by one party exceeds the total amount that's owed by the other, then both of our obligations to pay each other will be satisfied and discharged when the party who owes the larger total amount pays the excess to the other party.

17.5 You agree that any claims we have against each other are finally discharged by means of Close-Out netting if the Agreements are terminated under clause 16. We'll decide the Close-Out values for each affected Contract in our sole discretion. The final amount of money that one party will pay to the other will be the difference between the payment obligations of both parties.

How we can exercise our rights

17.6 We may exercise a right or remedy or give or refuse our consent in any way that we consider appropriate (including by enforcing clauses under the Agreements).

17.7 If we don't exercise a right or remedy fully or at a given time, we may still exercise it later.

17.8 Our rights and remedies under the Agreements are in addition to our other legal rights and remedies. We may enforce our rights and remedies in any order we choose.

Set-off

17.9 We may set off any amount of money that we owe you (whether or not it's due for payment) against any amount of money that you owe us under the Agreements, any Contract or an Order.

17.10 We may do anything necessary to action any set-off under this clause (including varying the date for payment of any amount of money that we owe you). This clause applies despite any other agreement between you and us.

Reinstatement of rights

17.11 Under liquidation, administration, solvency or creditor protection laws, a person may claim that a transaction (including a payment) in connection with the Agreements is void or voidable. If a claim is made and upheld, conceded or compromised, then:

(a) we're immediately entitled as against you and the Guarantor to the rights under the Agreements to which we were entitled immediately before the transaction; and

(b) on our request, you and the Guarantor agree to do anything (including signing any document) to restore any rights (including the Guarantee) that we held immediately before the transaction.

No merger

17.12 Our rights under the Agreements are in addition to and aren't affected by any Encumbrance that we hold or any of your or the Guarantors other obligations, despite any rule of law or equity or any statutory provision that says otherwise.

Further steps

17.13 You agree to do anything we ask of you (such as obtaining consents, signing and producing

documents and getting documents completed and signed):

- (a) to bind you and any other person intended to be bound under the Agreements; and
- (b) to show whether you're complying with the Agreements.

Changes

- 17.14 We may vary these Terms at any time, with notice to you. In doing so we must comply with any applicable law.
- 17.15 By giving you 30 days' notice, we may charge you additional fees and/or commissions or increase the current fees and/or commissions under the Agreements, in line with clause 7.11 of these Terms.

Waivers

- 17.16 A provision of these Terms, or right created under them, may not be waived or varied except in writing.

Assignment

- 17.17 You can't assign or otherwise deal with your rights under the Agreements or a Contract or allow any interest in them to arise or be varied without our consent.
- 17.18 We can assign or otherwise deal with our rights under the Agreements or a Contract without your consent. You agree that we may disclose any information or documents we consider necessary to help us exercise this right.

Inconsistent law

- 17.19 A provision of the Agreements that's void, illegal or unenforceable is ineffective only to the extent of the voidness, illegality or unenforceability, but the remaining provisions aren't affected.
- 17.20 Neither our rights or your liabilities under the Agreements are affected by anything which might otherwise affect them at law.

- 17.21 Any present or future legislation that works to vary your obligations in connection with the Agreements, and which adversely affects our rights, powers or remedies (including by way of delay or postponement) is excluded except to the extent that its exclusion is prohibited or rendered ineffective by law.

Notices and other communications

- 17.22 We may, to the extent of your authorisation, send a communication under the Agreements to you or your Authorised Person.
- 17.23 Unless the Agreements expressly say otherwise, all notices, certificates, consents, approvals, waivers and other communications in connection with the Agreements:

 - (c) will be taken to be received upon sending, unless the sender receives an automated message informing them that the email has not been delivered.
- 17.24 Communications take effect from the time they're received unless a later time is specified in them.

- 17.26 All payments under the Agreements must be made in Euros or any other currency that we may agree to.
